

# Become a Member of the IETA

## Why Should I Get Involved?

Established in 2006, the Inland Empire Taxpayers Association (IETA) has become the largest and most active taxpayer advocacy organization operating primarily in Riverside and San Bernardino Counties. Each election cycle the IETA has raised and spent anywhere from \$150,000 to \$1.4 million in the cause of protecting the interests of taxpayers at the ballot box.

By pooling resources and sharing information, we can increase our impact and have a greater ability to affect the outcomes of key races throughout the region.
